

Special Edition of Green Notes

I know we promised the **Green Notes** would be a quarterly newsletter, but the BC election is too important in raising the profile of the Green Party. Our federal riding of Vancouver East covers the two provincial ridings of Vancouver-Mount Pleasant and Vancouver-Hastings. Commercial Drive is the dividing line. We hope you're OK with having a 5th issue of this quarterly newsletter.

David Wong in Vancouver-Hastings

- The most important task where [David Wong, BC Green for Vancouver-Hastings](#) needs help now is to replace signatures that were completed on invalid nomination forms. [Email David](#) for an updated list of where you can sign before Friday's deadline.
- You can RSVP and purchase tickets for David's Fun-Raiser and Dinner on March 30 at the Pink Pearl by clicking on [David's Events page](#).
- David has "Meet the Candidate" hours on Thursday afternoons, 4:30 to 6:30, at Jerry Kroll's Vancouver-Mount Pleasant riding office at the Kingsgate Mall, Kingsway and Broadway.
- Like every candidate, David needs volunteers. If you have special skills (videographer, large sign installer) or just want to help, contact his Volunteer Coordinator, [Simon de Weerd](#).

Jerry Kroll in Vancouver-Mount Pleasant

- Click [Jerry Kroll, BC Green for Vancouver-Hastings](#) for Jerry's candidate page.
- Jerry's office is in the Kingsgate Mall at suite #105, 370 East Broadway

Placarding for BC Greens Campaign and Stopping the Kinder Morgan Pipeline

You should consider [placarding with us on sunny days](#). Join 3-4 person teams in Green Party T shirts with 18" x 27" placards which promote volunteering for the BC Greens and forcing a pipeline referendum to stop or delay the Kinder Morgan pipeline. The placards include URLs for [BCGreens.ca/volunteer](#) and [LetBCVote.ca](#) so bored bus passengers, waiting in line, can check them out while they're waiting. The best locations are adjacent to long bus lines (near Skytrain stations, at SFU and UBC).

Email wally.kunz@greenparty.ca, if you want to join us at the Broadway / Commercial Skytrain station or schedule your own placarding.

Advisory Panel - Update

We had a great Advisory Panel meeting on February 22. If you missed it, but would like to be kept apprised of activities, please email wally.kunz@greenparty.ca to be put on the Advisory Panel newsletter list. If you are interested in forming Green Party policies, email [Michael Springate](#), the Advisory Panel chair.

Upcoming Events

The next **Green Notes** newsletter, the summer issue, will have information about **Bowling for Green** on a Friday evening in June, **Car Free Day** on Commercial Drive on Saturday, July 17, and **Vancouver Eats Greens & BBQ** at a Vancouver park in August.
